DESPATCH.

From the Secretary of State for the Colonies to His Excellency the Governor-General.

(Cable.)

LONDON, 2nd December, 1901.

In consequence of the establishment of martial law at all British South African ports, it has been decided, with the concurrence of the Government of Cape Colony and Natal, that after the first of January next, persons desiring to land in those Colonies must provide themselves with a permit.

Permits are to be issued in this country by a special permit officer on the production of a certificate signed by a member of Parliament, Justice of the Peace, clergyman, or minister or officer of His Majesty's Forces, to the effect that the applicant is in possession of at least £100, or is in a position to maintain himself in South Africa, that the object of his journey (object to be stated) is *bona fide*, and that he has not been deported or sent out of South Africa as indigent.

Applicants after producing satisfactory certificates are required to sign a declaration to the same effect, with the additional statement that they will not directly or indirectly assist in any way whatsoever His Majesty's enemies in South Africa, and that they are aware of the penalty for so doing under martial law. Members of one family to be shown in permit issued to the head, provided that a separate permit will be required for each son and daughter over 16.

Notice published stating that passengers from colonial ports must supply themselves with permits from the Colonial Secretary, or some officer appointed by the Colonial Government, who will satisfy himself, as far as possible, that applicants fulfil the above conditions.

Specimen copies of permit and of notice summarised above are being sent to you by mail.

Permits are available only to enable passengers to land in South Africa, and are no guarantee that they will be allowed to proceed inland.

Two copies of each permit issued will be retained, one for record in the office of issue and the second to be dispatched at the earliest opportunity to the officer at port to which the passenger is proceeding, viz., the Embarkation Officer, Capetown; the Commandant, Port Elizabeth; the Commandant, East London; the Embarkation Officer, Durban.

His Majesty's Government feels sure that it may confidently rely upon the special assistance of your Government in this matter, as the authorities in South Africa are all agreed that this measure is necessary to prevent undesirable persons from entering South Africa at the present time.

Persons proceeding from foreign ports are being notified that they should obtain permits through the British Consular Officers.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. The Corporation in consideration of the due performance of all the covenants and agreements herein contained on the part of the Company, hereby undertakes and agrees with the Company in manner following, that is to say:

1. The Corporation hereby agrees to lease to the Company those four (4) certain water lots lying between the Market Buildings and the Ferry Landing, and known as water Lots 41, 42 and 43, the east half of Lot 40 and the west half of Lot 44 for the term of fifteen (15) years at a rental of five (5.00) dollars per lot per annum, such lease to be renewable from time to time at the option of the Company for terms of twenty-five (25) years, at a rental to be agreed upon or fixed by arbitration in case of failure of the parties hereto to agree to such rental. Such rental to be fixed at the beginning of each term of twenty-five (25) years for which the Company exercises its option of renewal. Such lease shall contain covenants on behalf of the Company that the Company must bear the expense of any alteration rendered necessary in or about the Ferry Landing of the Corporation by reason of any buildings or improvements made by the Company upon said lots, or by the Company's use of said lots, of which necessity as to said alterations the Ferry Committee of the Council of the Corporation are to be the sole judge both as to the nature, extent and necessity.

2. In said lease the Company also shall covenant to commence the user of said lots for the purpose of their undertaking within nine months from the date hereof, and shall continue to use the same thereafter for said purposes of the Company.

3. Said lease shall also contain a proviso that said lots must not be used for any other purpose whatsoever other than purposes of the Company in the carrying on of their undertaking. And upon failure of the Company to use said lots in said manner, or upon the Company using said lots for any other purpose than that herein provided, then the lease of said water lots shall thereupon cease and determine, and the term by said lease granted shall thereupon revert in the Corporation.

4. The Corporation further hereby agrees to lease to the Company all vacant and unreserved water lots lying within the corporate limits of the Corporation west of water Lot No. 77, and to the west of the site for the proposed Fraser River bridge, such number of water lots to be leased, however, not to exceed twelve (12). Such lease shall be for the term of fifty (50) years at a rental of five (\$5) dollars per lot per annum, with the privilege to the Company of renewal thereafter from time to time of further and other terms of twenty-five (25) years each at a rental to be agreed upon between the parties hereto, or, in the event of the parties hereto not being able to agree, the rental for said lots to be settled by arbitration, such rental to be fixed at the beginning of each term of twenty-five years for which the Company exercises its option of renewal. Said lease shall also contain a proviso that said lots must not be used for any other purpose whatsoever other than the purposes of the Company in the carrying on of their undertaking, and upon failure of the Company to use said lots in said manner, or upon the Company using said lots for any other

purpose than that herein provided, then the lease of said water lots shall thereupon cease and determine, and the term by said lease granted shall thereupon revert in the Corporation.

5. The Corporation further hereby agrees to grant, and doth hereby grant, a right-of-way along the twenty-five (25) foot railway reserve on Front Street, within the limits of the Corporation, from the westerly boundary of the Penitentiary reserve in a westerly direction so far as the rights of the Corporation extend. Such right-of-way shall be for the purposes of the Company in their undertaking, with all the rights incident thereto.

Provided, however, that the Company shall allow any other railway company, upon payment of the usual tolls therefor, the use of the track or tracks laid on said right-of-way for the purpose of conducting the business of any such other railway company, and any other such railway company shall have the right to make connection with said track or tracks as may be necessary to enable such other railway company to discharge and load freight into or from any warehouse, freight-shed or premises situate on any of the water lots within the corporate limits of the Corporation adjacent to or contiguous to the track or tracks of the Company. Such right-of-way shall also be granted subject to the express condition that it shall be granted only in so far as the Corporation may do so, and without cost or expense of any kind whatsoever to the Corporation.

6. The Corporation hereby further covenants and agrees to grant to the Company a right-of-way from a point where the Company's railway crosses the Canadian Pacific Railway westerly to the twenty-five (25) foot railway reserve; such grant, however, to be subject to all the terms and conditions and to the proviso contained in the immediately preceding clause hereof.

7. The Corporation further hereby agrees to grant to the Company a right-of-way from the easterly end of the northerly approach to the proposed Fraser River bridge eastward along the line of the Company's proposed railway to the limits of the Corporation, such grant to be, however, subject to the same terms and conditions and to the proviso contained in clause hereof respecting the grant of a right-of-way along the twenty-five (25) foot railway reserve.

8. The Corporation further hereby agrees to grant, and doth hereby grant, permission to the Company, in so far as the Corporation has the power so to do and not otherwise, to ferry cars containing passengers across the Fraser River until the completion of the proposed Fraser River railway bridge for railway traffic.

9. The Company in consideration of the covenants and agreements herein contained, and on behalf of the Corporation hereby covenants and agrees with the Corporation that it will construct its line of railway from the Fraser River within the corporate limits of the Corporation to the City of Vancouver, and will have the same complete and in operation within twenty-four months from the date hereof and will thereafter run one passenger train per day at least each way over its said line between the City of New Westminster and the City of Vancouver, and will continue so to run one train per day forever thereafter and shall maintain and operate said line of railway forever thereafter.

10. The Company further hereby covenants and agrees to connect said line of railway so to be constructed by the Company with the Great Northern Railway system either by the proposed railway bridge across the Fraser River or by a good and sufficient car ferry, in which case such ferry shall have its northern landing within the corporate limits of the Corporation, and that such connection shall be made within twenty-four months from the date of the execution of this agreement and shall forever thereafter be maintained.

11. The Company hereby further agrees and covenants with the Corporation that it will use and occupy all the property, rights and easements hereby covenanted to be granted by the Corporation to the Company for the purpose of the undertakings of the Company.

12. It is further hereby agreed by and between the parties hereto that the Corporation shall in every way in which it may lawfully so do use its best endeavours if requested by the Company to obtain for the Company all rights-of-way and other proper easements within the corporate limits of the Corporation which may be necessary or expedient, having due regard to existing rights, in order to enable the Company to carry out with all reasonable speed the construction of the line covenanted to be built and put the same in operation, but it is understood and agreed that the same shall be done without any cost or expense whatsoever to the Corporation;

13. The Company hereby further covenants and agrees that it shall not in the operation of its undertaking in any way whatsoever do, suffer or permit anything whereby freight and passenger rates to and from the City of New Westminster on its line of railway shall be at a higher rate according to the distance to be travelled than those rates charged for freight and passengers travelling to any other point upon the Company's line and that the Company shall in no other way discriminate against the City of New Westminster in the carrying on of the business of the Company:

14. It is expressly agreed by and between the parties hereto that the rights-of-way hereby granted are granted subject to the right of the Corporation to place crossings wheresoever the Council of the Corporation may deem desirable from time to time and such crossings to change and move from time to time at the discretion of the Council; such crossings to be for the use of foot passengers, animals and vehicles at all times by day and by night to pass and repass to any portion of the waterfront of the Corporation:

15. It is further agreed by and between the parties hereto that the Company shall upon the exercise of the rights-of-way hereby granted pay to any person, firm or corporation for such improvements along the railway reserve as the Company may use or remove in the construction of the Company's track, excepting such improvements as have been made, erected or placed upon said railway reserve under condition of removal when required by the Council of the Corporation or without authority from the Council of the Corporation. The value of such improvements to be agreed upon by the Company and the owner of such improvements, or in the event of them being unable to agree, to be fixed by arbitration:

16. The Company hereby covenants and agrees with the Corporation that it will indemnify and save harmless the Corporation from all and every action or suit or cause of action or suit which may at any time hereafter arise, be commenced or instituted against the Corporation for any act or acts, omission or omissions of the Company in the commencement, building or carrying on of the works or undertakings of the Company:

17. It is also further agreed by and between the parties hereto that the leases hereafter to be executed for the purpose of the carrying out of this agreement shall besides the conditions and provisos hereinbefore provided for contain all the covenants, provisos and conditions usual to be inserted in such leases:

18. It is further hereby covenanted and agreed by and between the parties hereto that the undertaking entered into and agreed on behalf of the Company shall bind the undertaking of the Company and shall extend to its successors and assigns and that the undertaking entered into and agreed on behalf of the Corporation shall bind the undertaking of the Corporation and shall extend to its successors and assigns:

In witness whereof the parties hereto have hereunto caused their names to be subscribed and their corporate seals hereto affixed the day and year first above written:
